

FORMER KAISER TO BE TRIED SOON

Says Lloyd George In His Report To the House of Commons On Peace Negotiations

(By Associated Press) London, July 3—The former German Emperor will soon be placed on trial. Premier Lloyd George made this statement in the House of Commons today in his report on the peace negotiations. He declared the tribunal would sit in London and that the German officers who had committed appalling infamies would also be tried.

Referring to the probability of German menace, he said the German army at present was inadequate to disturb the peace of the smallest of Germany's neighbors. Discussing the peace treaty, he said its terms were terrible in some respects for Germany, but added that deeds which justified them were terrible and that still more terrible would have been the consequences if Germany had won the war.

YANKS CAN'T MARRY HUN WOMEN

Violations of the rule will be prosecuted either on a charge of communicating with the enemy or disregarding fraternization regulations.

FROM THE Y. M. C. A. FIRESIDE

(By Associated Press) Paris, June 15—(By Mail)—If you want to see even a worth while blaze you have to come back home, the doughboys in Europe are unanimous in declaring. A Paris fire was well under way and the fire fighters were having hard work confining the blaze to the basement when a party of doughboy sightseers under a Y. M. C. A. guide passed down the street. The doughboys paused to see the Paris firemen in action. A large crowd of Frenchmen also, in open eyed admiration, were watching the department at work. "Not much of a fire," ventured one of the doughboys to a pretty mademoiselle standing beside him. "Oh, yes, a big fire, Monsieur, a very big fire," the young miss answered enthusiastically, "the biggest fire in Paris in a long, long time."

The doughboy stared. "Say, Miss," he finally ventured "do you know what they'd do with a fire like that if they have in the United States? They'd use it to light a cigarette with, and then step on it."

Important To County Officials. While political interest will center in the primary election on August 2, which is four weeks from Saturday, and while the 8th district special election for Congress will be a one-sided affair, the former will be the side show and the latter the main event insofar as this district is concerned.

The Attorney General, in a long opinion, written in answer to a letter from Sheriff Roberts, of this county, and with which opinion Sheriffs, County Clerks and others would wisely familiarize themselves, makes it imperative that the special election in the Eighth Congressional district shall be held in the regular voting places and by the regular election officers—that is, the officers who were appointed last fall, and who are as much in duty bound to perform their duties for the year ending next fall as are any other constitutional county or State officers, and who are, hereafter, to be prosecuted for failure to do so.

The Sheriffs in some of the counties are said to have so far overlooked their duties set forth by the Attorney General, particularly as to the advertising they shall do in each precinct of the county, and in the county papers. These officers, as well as the County Clerks, election officers would do well to read the Attorney General's opinion.—Shelby Record.

SCOTT TEACHERS AT THE NORMAL

Efficient Superintendent Brings Her Entire Faculty Staff To E. K. S. N. For a Week

The entire teaching force of Scott county is attending the Normal this week. This new and important step is the result of the vision, the zeal and the organizing power of the superintendent, Miss Mary Bradley. On the Fourth of July the whole Board of Education of that county will be the guests of Eastern. Like the Queen of Sheba, the teachers are learning that not half of the splendid advantages of this institution had been or could be held.

Miss Bradley has divided her force into groups according to the kinds of school they are going to teach. In the forenoon, her teachers are observing in the Rural School studying the wonderful and inspiring work of Miss Noland. Her grade teachers are observing grades they are most interested in in the New Training School, where they are witnessing the fine organization and the excellent teaching of Misses Hansen Jordan, Horn and Hinckley. Verily, they are learning that "one seeing is worth many tellings."

In the forenoon at 11 o'clock they join the classes in special methods. At noon, the superintendent gathers her teachers together to compare notes and to clinch what they have seen. At 2:30 each day they are addressed by President Coates in the chapel and at 3:30 Dr. Myers gives them an hour in vocal music. There is no question that the experience gained will be worth many institutes. Superintendent Bradley deserves great credit for her vision and courage in bringing this experiment about.

Little Culton Girl Hurt

Louise the bright and attractive little daughter of Jas. Culton was painfully hurt Wednesday afternoon, when she fell on the pavement and severely strained the muscles in her arm and shoulder. We are glad to say the little sufferer is resting comfortably today and it is thought no serious results will follow.

All Are Invited

Don't fail to attend the lectures at the Normal this week; they are great. While primarily for the hundreds of students attending the Summer Term, the public is cordially invited and will be welcome. The lectures are free and probably of as high class as any that will be heard at the Chautauqua.

"It Pays To Advertise"

Muncy Bros., in talking with a representative of the Daily Register, stated that they are highly pleased with the results which they have gotten through the advertising columns of this paper. Last week he advertised a special sale on aluminum ware, which was scheduled for Saturday afternoon from 2 to 5 o'clock. Long before this hour, crowds were standing outside the door unable to get in, and the goods were disposed of in a jiffy. These "boys" believe in printer's ink, and it only goes to prove the worth of the Daily Register as an advertising medium. Nearly everyone in Madison now reads the Daily Register.

BRIGHT PROSPECTS FOR CHAUTAUQUA

Five Leading Merchants Offer To Sell Season Tickets For Big Redpath Event

Mr. Elmer Deatherage and five of the leading merchants of Richmond, Richard McKee, E. V. Elder, Ed Stockton, Joe Guinchigliani, and R. E. Turley of the State Bank & Trust Co. are co-operating with the Redpath Chautauqua management in boosting this year's Chautauqua to the limit. This year's program is up to the standard, and from the present outlook the farmers and their wives are planning to attend in large numbers, and the townspeople have already caught the chautauqua fever.

Mme. Augusta Lenska, prima donna contralto, who will appear with the Great Lakes String Quartet on the third night of the coming Redpath Chautauqua, is of Russian birth and was reared in Cape Colony, Africa, going to London to pursue her education, where her ability as a singer attracted notice of prominent musicians. Later she studied in Brussel and before coming to America had appeared in Grand Opera in many countries of Europe.

In 1914, she came to this country for a five month's operatic engagement and had been booked for a world tour afterwards, a tour which necessarily was postponed because of the world war. Mme. Lenska made her New York debut in October, 1914, and was accorded an enthusiastic reception. Indeed, the receptionally warm timbre, the extraordinarily range, power and flexibility of her voice in addition to her truly artistic temperament, refined taste and excellent singing method, have never failed to secure the appreciation of her audiences.

Mme. Lenska is not only vocally and histrionically a highly esteemed Grand Opera prima donna but also as a concert and oratorio singer she has received highest praise from such distinguished authorities as Henri Cain, the collaborateur of Massenet.

Arrangements have been made to open the Chautauqua programs next week at 3:30 o'clock each afternoon and 8 o'clock at night. Season tickets are going rapidly, and all indications point to a splendid attendance at every entertainment. Adult tickets are now selling at \$2.75 but on Monday afternoon they will advance to \$3.30. Children's tickets, now \$1.38 will go to \$1.85 at that time. The season tickets are great bargains, for if one goes to each individual performance and pays the single admission price, the cost will amount to \$8.90 for the entire program.

SHORT WITHDRAWS FROM SENATORIAL RACE

A special dispatch to the Louisville Herald from Frankfort today contained the withdrawal of Capt. Short, of this city, from the race for state senator in the Twenty-ninth District. The dispatch is as follows:

W. T. Short, of Richmond, who was seeking the Republican nomination for state senator in the Twenty-ninth District, has requested Secretary of State Lewis to leave his name off the ballot in the August primary. The withdrawal of Short leaves Clarence Miller, of Irvine, a clear field for the Republican nomination for state senator in the Twenty-ninth District. Instruction relating to the placing of the names of candidates on the ballots in the August primary are being sent out by Secretary of State Lewis.

Mr. Schaafhausen has been connected with Middleton's drug store for the past twenty-one years, and no one has made more friends than Joe, and his estimable wife, who was for some time Superintendent of the Patisserie A. Clay Infirmary. The very best wishes for their happiness will go with them to their new home. DR. ANNA SHAW DEAD

The country lost one of its beloved women in the passing of Dr. Anna Howard Shaw, who died at her home in Moylan, Penn., at 7 o'clock Wednesday evening, after an illness of only a few weeks. She contracted pneumonia and was in a Springfield hospital for two weeks. She returned to her home and had apparently recovered, when she was again taken ill yesterday morning and rapidly became worse.

Dr. Shaw delivered one of her famous lectures here before the Madison Equal Rights Association several years ago and held a warm spot in the heart of all who heard her on that occasion.

A special dispatch to the Cincinnati Enquirer Thursday contained the following:

Dr. Anna Howard Shaw, Honorary President of the National American Woman Suffrage Association, Chairman of the Woman's Committee of the Council of National Defense and recently was awarded the Distinguished Service Medal for her work during the war. She was taken ill in Springfield, Ill., about a month ago when on a lecture tour which former President Taft and President Lowell, of Harvard University, in the interest of the League of Nations.

Her secretary, Miss Lucy E. Anthony, a niece of Susan B. Anthony who has been with Dr. Shaw 30 years, and two nieces, were at her bedside when she died.

No arrangements for the funeral have been made. They probably will be announced tomorrow.

Dr. Shaw long had been identified prominently with the woman suffrage movement and was President of the National American Woman Suffrage Association consecutively for 11 years. In 1915 she declined a renomination, and then was elected to be Honorary President.

She had spoken in each state in the Union, before many State Legislatures and committees of both Houses of Congress in the interest of suffrage.

She was a member of the International Woman Suffrage Alliance, International Council of Women, League to Enforce Peace and National Society for Broader Education.

IMPORTANT MATTERS BEFORE COUNCIL

Removal of Poles and Wires From Main Business Street Comes Up Tonight

The question of renewal of the phone and lighting and power wires from the principal business streets of Richmond will be the principal business of importance which will come before the regular meeting of the City Council at its session tonight.

With plans going ahead rapidly for the laying of new sewers and paved streets in Richmond, sentiment is practically unanimous that in order to obtain the maximum benefit from such improvement and beautification of the city that the unsightly poles and wires must go from the business section of town anyway. Sentiment is also strong for a White Way and it is planned to start a campaign to raise a fund to purchase the necessary posts as soon as the matter of removal of the poles and wires is concluded. The members of the city administration have expressed the opinion the city will gladly pay the difference in cost of such lighting over the present expense, if the citizen's will raise the required funds to buy the ornamental posts and lights.

The question of improved telephone service for Richmond will be taken up by the City Fathers at their meeting tonight also. It is expected that officials from the Cumberland Telephone and Telegraph Company will be here to go over the matter with the city council. Suggestions have been made that Richmond phone patrons should be given the "central energy" system of phone operation, whereby only one operation is required to obtain connection with central and that is to take the phone "off the hook." Other towns the size of Richmond have this improved system and Richmond people are demanding it. Phone rates have been largely increased, and the service that the people receive should be the best possible.

The President's Tour

For several months the President's opponents have had a sort of "open season" of criticism of him and his policies and proposals. While he was busy in the solution of the world's biggest problem a large number of his fellow countrymen were engaged in the easiest of all tasks—finding fault. So mean and petty and spiteful has been some of this carping that one can hardly escape believing its authors would have found as much satisfaction in his failure (if he had failed) as other patriotic Americans have derived from his success.

But a few weeks hence the President is to tour the country and meet friends and foes face to face and give the American people an account of his stewardship. He will at the same time doubtless afford them some understanding of the tremendous difficulties that confronted him in the peace conference and submit to them the greatest of all modern achievements in statesmanship—the League of Nations.

Those who have misunderstood, those who have judged hastily and those who have been misled will have the truth from the President's lips, and will be convinced. Only the partisan and the narrow traditionalist may be expected to remain proof against facts and reason.

You may feel, as so many others do, that the Fourth of July in 1919 has, and should have, a new significance. The Fathers of this nation fought a strong enemy that they might gain political freedom for themselves and their children's children.

The Sons of the nation have just been fighting that they might give political freedom to others.

The one thing we ought to be proud of, and celebrate most enthusiastically, is not so much the freedom they have won for us and others as the fact that they were willing to fight for it.

And we ought to pause long enough from noise, and games and gaiety, to resolve with some solemnity, that nothing we can do shall be left undone, to keep and perpetuate what has been gained.

That's one of the uses of such a holiday;
we're all going to quit business and make
it a day.

Sow a Smile
A voice across the telephone
Can make or mar the day;
Be careful of the tone you use,
And think of what you say.
Your pleasant smile cannot be seen
Or know your kindly heart,
For people at the telephone
Are often miles apart.
The girl who answers "Central"
Has a score of lines to mind,
Mistakes are sure to happen,
So be patient and be kind.
For life is like a garden,
Where our daily acts are grown;
And as nature hath ordained it,
We will reap as we have sown.
Then sow a "smile" and reap a
"smile"
And in the end you'll find
That nothing pays more interest
Than the art of being kind.

Captain Curtis' name will go down honored in Forrest county history because of his remarkable achievement in bringing together quickly about 200 splendid young men of the county early in 1917 to fight the Hun, and especially in view of the fact that he organized the battery when two efforts had been made previously and both had failed.

ROCKCASTLE BOY

ATTAINS HIGH HONOR

A special from Mt. Vernon to the Courier Journal says: "Word has been received here of another promotion for James McKenzie Brown, son of Mrs. Cleo Williams Brown and the late James Harvey Brown. He is just 30 years old and is now Lieutenant Colonel in the British army. He had been living in London for some time prior to the outbreak of the war and enlisted in the navy. He soon rose to Captain, displaying wonderful courage and skill. He never lost a man or a ship and for this he was decorated by King George with the Distinguished Service Order. After this he was sent to Mesopotamia and at the siege of Bagdad he was put in the army with the title of Major and served under Gen. Maude. A close and intimate friendship between the two developed. At the time he was made Major he was one of the fourth generation in direct line to wear that title, the first Maj. Brown being the late Maj. A. J. Brown, of Garrard, his great grandfather.

Lieut. Col. Brown comes of two families long prominent in public life in Kentucky. His father was the youngest county attorney ever elected in the State, chosen by the voters at the age of 21, and his uncle, Judge R. G. Williams, was the youngest County Judge ever elected in Kentucky. He is a cousin of Frances Scott Key, author of "The Star Spangled Banner", nephew of the fifth generation of Jack McKenzie, who fought in the Battle of New Orleans, and a cousin of the late Robert B. Crow, who fought in the Spanish-American War. Lieut. Col. Brown is a nephew of George F. Brown, of Garrard, who has a son, James H. Brown, still in the service in France.

Was This Real Nerve?

The Maysville wife murderer who swore he would kill himself before he would be taken to Eddyville and left the city in collapse, seems to have regained his nerve before the ordeal came as he wrote as follows to the sheriff as "the dynamo was being turned" to send him to kingdom come: "Death House, Eddyville, Ky., Friday morning, June 6, 1919.—Hello Sheriff: Just a few lines to you before retiring from this old world. I sincerely thank you for the many kind favors you done for me, and I appreciated them to the highest extent, and I wish you a long, happy and successful life. Say, Sheriff, they certainly treated me mighty fine while confined in the death house, and they gave me a big chicken dinner before I died. Of course by me knowing that this would be my last good feed on this old earth, I was nervous, and could not eat very much. All I ate was a whole fried chicken, a big sweet potato pie, half of a big cake, about a loaf of bread and some other stuff another prisoner gave me. Now if I had not been scared I could of ate something. Ha, ha! Well don't forget to extend my thanks and gratitude to Mr. Harry Ort and Jailer Watson. Well, as they have got the dynamo all turned up and hitting on all six, I guess I will have to close, so goodbye and good luck to you all.

The series of meetings which has been in progress for the last 10 days, closed Sunday night. The preacher, Rev. Anderson, of Wilmore, did some good preaching. Miss Jenks and Miss Hooker lead the singing and furnished special music on guitar and mandolin. There were 9 additions to the church, everyone seemed to enjoy and was greatly benefited by the splendid preaching on Saturday night. Rev. McClintock easily raised \$65 for the workers and on Sunday night \$40 was raised by a dime shower. Great crowds were in attendance every evening.

THE 4th AT BOONESBORO

Great plans are being made for the Fourth of July at Boonesboro Bathing Beach, and one of the largest crowds that has visited this famous resort this season is expected. Dr. D. J. Williams, the genial proprietor, is planning everything possible for the entertainment of his guests. A good band will furnish music for dancing, and there will be other attractions, and in the evening an Old Fiddlers' Contest will be a big feature. Louis Hardin will run an auto bus hourly from town to the beach at a low rate, and as most of the business houses in town will observe a half holiday anyway and the banks and post-office will close entirely, the crowd promises to be a record-breaker. 181 3

Two Fine Garrard County Farms AT - AUCTION

TUESDAY MORNING AT 10 O'CLOCK, JULY 15, 1919

162 Acres for FLOYD CURTIS

85 Acres for J. C. WILLIAMS

In the famous "Camp Dick Robinson," known everywhere as most desirable land. Travelers through this section can hardly keep the command, "Thou shalt not covet." Both farms front on the Mt. Hebron pike, the Curtis farm just 1-2 mile from Lancaster and Lexington pike, 1-2 mile from graded school, 1 mile from Bryantsville, that growing village, with its stores, churches, bank, schools, etc. The Williams farm is just 1-2 mile farther on the Mt. Hebron pike.

Either farm a **DANDY** home, in an ideal location. No other farms in this neighborhood for sale. They just won't price.

162 Acre Tract will be sold in three tracts: 85 acres with most improvements, 50 acres with tenant house and tobacco barn, 27 acres, no improvements. Purchaser of any tract will have the chance to buy either one or both of other tracts, each tract with broad frontage on pike.

IMPROVEMENTS—8 room dwelling, 2 tenant houses, one large stock barn, the best in the county with water and fully equipped for feeding 100 cattle, large box stalls; one new tobacco barn, all necessary outbuildings.

The **85 Acre Williams farm** will be sold in two tracts, one tract of 4 5 acres with improvements, one tract of 40 acres, no improvements. The improvements consist of a new 5 room bungalow, 2 porches, good cistern, 4 acre tobacco barn, 40 acres in corn, 4 acres in tobacco, 20 acres in meadow, balance in grass. Splendid frontage on Mt. Hebron pike; beautiful yard. A nice place to live.

The **162 acres** has 40 acres in corn, 10 acres in tobacco, 112 acres in grass. Both farms are well watered. Curtis farm has a fine orchard, beautiful yard with large shade trees right on the pike.

The farms are a good "buy" for two families wanting to locate in same neighborhood close to splendid graded school and with other advantages. These farms will be sold for the High Dollar.

I "turn down" auction sale propositions every few days. I only contract for those I know will appeal to the buyers, therefore, I always sell what I offer. The purchaser gets the benefit of my judgment as to values. Attend my sales and see how they are conducted. We want to show you the land before day of sale. Get in touch with me. Possession of both farms on January 1, 1920. Terms easy. Dinner on the grounds.

WILL ALSO SELL A LOT OF PERSONAL PROPERTY AS FOLLOWS—

1 sorrel mare, 9 years old; 1 three year old Peavine filly; 1 two year old horse colt; 1 yearling filly; 1 yearling horse colt; 1 red Shorthorn cow and calf at foot; 1 two year old red cow, calf at foot; 1 red cow, fresh in the fall; 2 two year old steers; 1 roan Shorthorn bull; 7 year old Jersey cow and calf; 5 year old Jersey cow and calf; 5 extra buck lambs, and a lot of other stock and household and kitchen furniture.

This will be an all day sale. Come early and spend the day with us. Follow my sales. I will make you money. At each one of my auction sales the purchaser has either sold at a profit or been offered a profit within a short time.
